About Chongqing University

Chongqing University (CQU), founded in 1929, is a national key university directly under the Ministry of Education of the People's Republic of China. It is also a high-level research-oriented comprehensive university within the framework of the State 211 Project and 985 Project, and the National "World-Class University" Initiative (Category A). Located in Chongqing Municipality, an economic and industrial center in southwestern China and on the upper reach of Yangtze River, CQU has 4 campuses (A, B, C and Huxi), covering a total area of 347 hectares, and the school building area is nearly 1.7 million square meters.

CQU has been maintaining a cooperation relation with 186 reputable colleges and universities and a number of foreign companies and research institutions in over 30 countries and regions like the USA, the UK, France, Germany and Russia, etc. CQU is also a member of The Belt and Road University Alliance, Sino-Russian University Alliance of the Upper and Middle Reaches of Yangtze River and the Federal District along Volga River, Association of Sino-Russian Technical Universities (ASRTU) and Sino-Polish University Consortium, and has three Confucius Institutes in Thailand, Italy and Australia respectively. CQU is the host institution for Chinese Government Scholarship international students, also one of the first cohort of demonstration universities for quality education of international students in China, which has passed the quality accreditation of international student education in China organized by MoE.
